(C#) You say (Bbm) I only hear what I want to (Ebm-Fm-F#)
(C#) And you say (Bbm) I talk so all the time-so (Ebm-Fm-F#)

(Ebm) And I thought what I (C#) felt was simple
(Ebm) And I thought that I (C#) don t belong
(Ebm) And now that I (C#) am leaving
(Ebm) Now I know that I (C#) did something wrong cause I (F#) missed you
(F#m) Yeah, I missed you (F#-C#-F#-C#)

(C#) And you say (Bbm) I only hear what I want to
(Ebm) I don t listen hard
(Fm) I don t pay attention to the (F#) distance that you re running or to
Anyone, anywhere
(Ebm) I don t understand (Fm) if you really care
(F#) I m only hearing negative, no no no-bad

So I (Ebm) turned the radio (C#) on I turned the radio up (Ebm)
And this woman was (C#) singing my song
(Ebm) The lover s in love and the (C#) other s run away
The (Ebm) lover is crying cause the (C#) other won t stay
And (Ebm) some of us hover (C#) when we weep for the (Ebm) other who
was dying
Since the (C#) day they were born well
(Ebm) Well this is not that
(C#) I think that I m throwing but I m (Ebm) thrown (C#)

And I (Ebm) thought I d live forever but now I m not so sure
You try to (F#) tell me that I m clever but that won t take me anyhow
(Ebm)
Or anywhere (C#) with you (Ebm-C#)

And (Ebm) you said that I (C#) was naive
And (Ebm) I thought that I (C#) was strong
(Ebm) I thought hey I can (C#) leave, I can leave
(Ebm) But now I know that (C#) I was wrong cause I (F#) missed you
(F#m) Yeah I (F#) missed you (C#-F#-C#)

You said you (Ebm) caught me cause you want me
And one day I ll let you go
You try to (F#) give away a keeper or keep me cause you re know
you re
just to (Ebm) scared to (Fm) loose (F#)

And you say (C#), (Bbm) stay (Ebm-Fm-F#)

(C#)You say (Bbm) I only hear what I want to.(Ebm-Fm-F#)
