Train Song By Lisa Loeb off of the Purple Accoustic tape.
This is my(I m Adam Rogoyski) Transcription of this great song.

During the Intro, The E Minor chord has a pull off and hammer on
real quick on the 2nd fret of the 3rd string, the The D following
it has a Pull off on the 2nd fret of the 6th string. This will be
used throughout the song where it follows the chord pattern as the
intro. The rest just strum like it sounds.
