

Once A Year

Lisa Mitchell

This song isn't a published song, but it is Lisa Mitchell's original song. If you're on youtube, you can see it in one of her videos. It's the one where she's in a van singing songs with her friend. Anyways, I think it's a nice song.

Capo on 6

(Verse 1)

G **D**
Stick by me, I'll stick by you
Em
Don't under-estimate me
C
I'll stick by you, through black and blue
G **D**
Till we fall through

G **D**
Is that you sitting on the ground?
Em
Well I'll pick you up

If you promise to pick me up to

G **D**
I wish the fog would clear, I wish the atmosphere
Em **C**
Would be free of clouds for just once a year
G **D**
I don't like rain on sunny days
Em **C**
And I hate it when it rains, on my parade

G **D** **Em** **C**
Oh, oh
Once a year

G D
Oh, oh

(Verse 2)

G D
Well I don't like much being late
Em
It's something that I've grown to hate

But I kinda suck at being early

G D
When you overcome the fall
Em
Just twang a little at your soul
C
And those dreaded scenes will come back to haunt you
