I m too far gone
I m too far gone
I m too far gone

So me and you have quite a vibe
There s something there I can t describe
No matter what they all might think
That was no ordinary wink
Yeah, we ll show them, lead the way
This isn t an ordinary day

Cause I m already
Too far gone
Oh no, no, no
I ll catch the next train
Don t wait too long
(Oh no, no, no, no, no)
Despite the blackness
I feel the dawn
Yeah, yeah
I m too far gone
I m too far gone
I m too far gone
I m too far gone

I m too far gone
I m too far gone
