With me there s something You should get straight
C#m G# Bm F#
I m not like the others
C#m G# Bm F#
Won t keep it under cover
C#m G#
I m all up in your face With everything I say
Bm F#
And I don t give me away
C#m G#
I m all up in your face With everything I say
Bm F#
I won t give up

1. Refrain

C#m G#
So come on down From those clouds
B F#
You ve been hangin with the wrong damn crowd
C#m G#
Better treat me like a woman
B F#
Treat me like a woman
C#m G#
Throw those hands in the air
B F#
Do something so I know you care
