BULLY - Lissie

-----

This is a beutiful song, and Im pretty sure this is right. The G can be played either as a bar chord or and open chord. She plays it both ways, and each is as easy. The picking pattern is really easy, but you can strum. Ill post the pattern later!

Catching a tiger, baiting a bully

: E 1

Was this my idea? Is it a mistake?

G

Why did you take me here?

C E F G

Am I too far from home?

C E F G

Am I really all alone?

Walk, child don t run

?

Go off and have fun, we ll be waiting.

. .

Just look before you cross, take love with the loss.

G

I know it s frustrating

C F

Mama s here and your papa too

```
And we are so darn proud of you
 Mama s here and your papa too
 And we are so darn proud of you
 Proud of you, proud of you
 Reach but don t push it away
 Say nice words and play with intention
                    F
 Practice restraint, find out what matters
 I know your heart s been broken
 But martyrs never open doors
 The world is yours, carry this torch,
              G
                       (G)
 And use your voice
{\tt Dm}~{\tt G}~{\times}4
 Run ragged and wrecked
             F
 Catching a tiger, baiting a bully
 Was this my idea? Is it a mistake?
              G
 Why did you take me here?
CEFG
 Mama s here and your papa too
 And we are so darn proud of you
 Mama s here and your papa too
 And we are so darn proud of you
 All of us who turned into you
 We re sure hoping that you pull on through
