

**Say It Loud**  
**Lissie**

**A**

You may not like the way I am  
You may not like the way I m not  
You might not heal and like me, man  
You might not like what I got

**D**

But that s all right with me

**A**

That s all right with me

**E**

You can believe what you wanna believe

**D**

There s only one of me

**A G D**

I m gonna say it loud

**A G E**

Well I m me and not proud

**A G D**

I m gonna say it loud

**A G E**

Well I m me and not proud

**A**

You may not like the words I sing  
You may not like the road I m on  
You may not like a one single thing  
You night not like, baby, when I m gone

**D**

But that s all right with me

**A**

That s all right with me

**E**

You can believe what you wanna believe

**D**

But there s only one of me

**A G D**

I m gonna say it loud

**A G E**

Well I m me and not proud

**A G D**

I m gonna say it loud

**A G E**

Well I m me and not proud

**D**

And I m here to stay

**C#m**

**Bm**

**A**

no matter what you say, no matter what you say

**D**

Well, I m here to pay

**C#m**

**Bm**

**A**

**E**

Not to run away, not to run away from you

**E**

And don t let me be misunderstood

**A G D**

I m gonna say it loud

**A G E**

Well I m me and not proud

**A G D**

I m gonna say it loud

**A G E**

Well I m me and not proud
