F

It was dark maybe You couldn t see Me

F

Braid in Her hair.Her name is Tiffany

F

I know that girl she lives on My street

Bb

And she wants You

Dm

But They all want You

F

The kind of girl whose only after one thing

F

You on Her arm to see and be seen

F

To show You chose Her over me

Bb

Like she won You

Dm

Baby I warned You

Bb

But they dont want You

F

When Your shining like a barfly

C

Whose always buying the one guy

Dm

Who never says no

Bb

F

But I m the one that sees You in the party

C

People leave You and My heart breaks

Dm

Watching it taking its toll

F

F

Why..

F

Up on stage with Your precious guitar

F

Everyone wants to be where You are

F

To bathe in the glorious light of Your star

Bb

They all want to

Dm

It s cos they want You

F

Closing time and Your boys show up

F

They got a keg of beer in that pick-up truck

F

Egging You on to go out and get drunk

Bb

You know You want to

Dm

But baby I warned you

Bb

But they don t want You

F

When Your shining like a barfly

C

Whose always buying the one guy

Dm

Who never says no

Bb

F

But I m the one that sees You in the party

C

People leave You and My heart breaks

Dm

Watching it taking its toll

Gm

You said I was different

Dm

I stood in a class of My own

Gm

You said You d follow Me home

C

But here I am all alone

Bb

Because they got You

F

Boy your shining like a barfly

C

Whose always buying the one guy

Dm

Who never says no

Bb

F

But I m the one that needs You in the party

C

People leave You and My heart breaks

Dm

C

Baby it s taking its toll

Bb

They all want You

Dm

But I do..too...
