Intro:
```
         F#        B
I hit the city by 3
        C#
And the bottle by 4
    F#
I m thinking about the
B           C#
shit that I pulled
the night before
            F#
And by the party at
B         C#
midnight everything
        D(hold)
is cool again
Cuz you ll be
C#(hold)
back with me then
```

Interlude: **F# B C#**   x3, **F# B C# B**
coz you ll be back again

Verse 1:
```
F#    B           F#
  I m carrying the weight
    B         F#
The weight of the world
```

```
     B              C#        B
That doesn t wanna wait for me
F#     B          F#
  It spins me all around
     B                F#
And then it spits me out
  B             C#         B
Recycled like a christmas tree
F#     B           F#       B
  You picked me up  when no one would
F#    B           C#        B
  Convince me baby its all good
         F#           B
You re doing it again
    F#            B
the way you always could
F#         B            C#
  And now everything is understood
  B(hold)
I never had a girl like this

Chorus 1:
          F#        B
I hit the city by 3
        C#
And the bottle by 4
    F#
I m thinking about the
B           C#
shit that I pulled
the night before
           F#
And by the party at
B       C#
midnight everything
        D
is cool again
C#(hold)
  Cuz you ll be
back with me then

Post Chorus: F# B C#   F# B C# B

Verse 2:
F#     B
  the walls are closing
F#     B               F#
in its closing time again
  B                 C#         B
I see it through my champagne glasses
```

```
F#          B       F#              B
Terrified of how the time is flying now
F#   B                  C#
   At least we re sitting in first class
B(hold)
Never wanna be like them

Chorus 2:
          F#         B
I hit the city by 3
         C#
