Itâ€™s just another reason why
It all comes down to you and I
Have another drink
Waste some time with me
Weâ€™re happy in the meantime

Iâ€™ve gottaâ€™ make up for losing time
 â€˜Cause Iâ€™ve been spinning my wheels all night
 And I canâ€™t wait, canâ€™t hardly wait to see you
 Things seem better off now
 I think Iâ€™m better off now

It's just another reason why
 It all comes down to you and I
 Have another drink
 Waste some time with me
 We're happy in the meantime
