Only What You Make Of It
Little Big Town

Standard Tune/ Capo 4th Fret
You can choose to hammer on G the A string 2nd fret and C the B string 1st fret or D
string 2nd fret throughout the song. If you listen to the song a couple times you will get
the strumming pattern. Easy and beautiful song to play. Any suggestions welcome.

Verse 1 **G**
Youâ€™re like everybody else
      C
Gotta deal with what youâ€™re dealt
            G
You choose a story that you tell
        C
Blame the world or blame yourself
         D   **C**
Sometimes life comes at you hard and its easy
        G
To let it drag you down

Verse 2 G
Yeah i get it its mess
      C
Its a struggle its a test
       G
But can you find a place to rest
   C
In a house of bitterness
         D
Just cause it aiâ€™nt what you planned
 C   **G**
Donâ€™t mean it aiâ€™nt what it otâ€™ta be
Chorus 1
       C
Cause its only what you make of it
   G
yeah Itâ€™s only what you make of it
     C
yeah Itâ€™s only what you make of it
          C   **G**
And you make it so hard on yourself

Verse 3
        G
What you do and what you wonâ€™t
       C
What you will and what you donâ€™t

```
                  G
What you take and you give up
                             C
What youâ€™re risking when you love
                  D
Its just where your looking from
                  C
If you walk or if you run
                             G
You take the long way there

Chorus 2
                    C
Cause its only what you make of it
                  G
Yeah its only what you make of it
                  C
Yeah its only what you make of it
                             C                        G
And you make it so hard on yourself

Verse 4
                  Bb
You go looking for the darker side
         Am                                              G
Of anything you know your gonna find it
            Bb
You can hold on to it til it
                   Am                        G
Takes you under or you can let it go
             C
Oh let it go oh

Oooooh ooooh oooh
                D
No it aiâ€™nt all your fault
             C
no it isâ€™nt right
         G
It aiâ€™nt always fair

Chorus 4
                  C
But its only what you make of it
                    G
Yeah its only what you make of it
                    C
Yeah its only what you make of it
                             C                        G
And you make it so hard on yourself
           C
You make it hard
```

Alternate **C** and **G**
Its only what you make of it

End on **G**
