

**Thats Where Ill Be
Little Big Town**

This is a very easy, beautiful song. It s my first Tab so please be kind.
You

can Capo on 1 if it s low to sing. Note: when you play the C cord you can use
hammer-on s. I think the B string, but from the Studio 330 Sessions it looks
like

he may be hammering-on the D string as well. The strum pattern is the same
throughout the song D D U D U D U
