New In Town Little Boots OK GUYS, START FROM HERE AND PLEASE UPDATE IT ACCORDINGLY..... http://www.littlebootsmusic.co.uk/home.htm I play this all bar chords to give that deadened note / silly chord notes It s not right... but it ll get you through a buskers set and the girls love you for it. D2 \mathbf{F} Versel. D2 Heard your, new in town. want someone to show you round \mathbf{F} there s nobody knows this place like me D2 don;t go with the crowd. were i go we re dressing down \mathbf{F} I ll take you where the music plays for free. chorus. N/C Dm so dont rely... on people you meet....no one is safe on these streets Dm I m gonna take you out tonight, I m gonna make you feel all right F I don;t have alot of money but we ll be fine G Α I don t have a penny but I show you a reel good time. verse2. Dm So what do you think so far. is it all your hoping for F Does it live up to your every dream Dm Or do we disapoint, well you made your choice F When you wake up can you hear the screem? Bridge. D Am Cause i know how it feels to be alone D Am and strangers only make you feel the cold D Am
