New In Town
Little Boots
OK GUYS, START FROM HERE AND PLEASE UPDATE IT ACCORDINGLY.....
http://www.littlebootsmusic.co.uk/home.htm
I play this all bar chords to give that deadened note / silly chord notes
It s not right... but it ll get you through a buskers set and the girls love you
for it.

Verse1.
D2
Heard your, new in town. want someone to show you round
there s nobody knows this place like me
D2
don; t go with the crowd. were i go we re dressing down
I ll take you where the music plays for free.
>>>>>>>>>
chorus.
                                                N/C
so dont rely... on people you meet....no one is safe on these streets
Dm
I m gonna take you out tonight, I m gonna make you feel all right
I don; t have alot of money but we ll be fine
I don t have a penny but I show you a reel good time.
>>>>>>>>>>
verse2.
Dm
So what do you think so far. is it all your hoping for
Does it live up to your every dream
Dm
Or do we disapoint, well you made your choice
When you wake up can you hear the screem?
>>>>>>>>>
Bridge.
Cause i know how it feels to be alone
```

and strangers only make you feel the cold

Am

D

You never ever felt so far from home N/C
You never felt so far from home
>>>>>>>>
Chorus to end
