Violence Out Tonight
Little Comets

Violence out Tonight - Little Comets

The strumming pattern is pretty complicated for this and your gunna have to work it out
from the song - sorry guys.

There are 7 chords used in this song which are **F#m**, **Am**, **Bm**, **C#m**, **D** (A string base), **C#m**
(A string base) and **Bm** (A string base).

Throughout the song they go:

F#m / **Am** / **Bm** / **C#m** / **Am**   All first section sliding up, then:

D / **C#m** / **Bm** / [open strum]   and then roughly repeats all through the song.

Hope this was helpful although a little hard to explain - but I m sure you ll get it!
