Blinking Pigs

Little Dragon a fantaftic song, not sure i got it right with the G and D but besides that it sounds quite good. enjoy :) AM EM Phantom legs and Blinking Pigs G D Haunting me AM My long lost love EM and the memories of G р You С These nights are haunting EM G D I don t want to run I don t want to leave C Now that your standing closer EM G D I don t want to Run don t want to leave (AND IT CONTINUES LIKE THAT) Was a distant moan and a smell of home Haunting me

from the clouds above oh the memory of you

Thou these nights are haunting me I don t want to run I don t want to leave Now that your standing closer I don t want to run I don t want to leave
