**G#** **C#**  
to run the mountain down run it down

**E** **G#** **C#**  
Rather be a whisper in heaven  
**B** **E**  
then a daughter locked in your prison  
**G#** **C#**  
so run the mountain down run it down

**G** **B**  
You are airborne  
**G**  
You ve got silver rays  
**E**  
will it ever float will it ever soar along

**E** **G#** **C#**  
Grip the crown like winner  
**B** **E**  
Pretending like a beginner  
**G#** **C#**  
So run the mountain down run it down

**G** **B**
