Send in the funds, keep the faith alive
Without your checks how can we survive
We got cars in the yard, bills to pay
Crosses to bear, we got souls to save
Each and every day, people sittin round, a Sunday go to meetin town
T.V. prophets bringing on a judgement day
The rectory s wrecked, the preacher s funds are goin slowin down
Elders eyes see their good life slippin away

It s just business as usual
It s just business as usual

If it rings of truth throw it out the window
 If you need any proof, it s any way the wind blows
 If you re askin me, I ll tell you that I don t know
 And so it goes, so it goes
 And it all goin down, on the outskirts of town
 I saw it on the radio, in the heart of the village
 It s rape, plunder, and pillage
 I got it off the press, so it must be so
 It must be so

It s just business as usual
 It s just business as usual
 It s just business as usual
 It s just business as usual
