

Heroin Dance  
Little Fish

Dm F G  
Rising blue smoke in golden air,  
A# C Dm  
Where the promises you held have gone,  
Dm F G  
Deep clear water or violent days?  
A# C Dm  
Years pass in the shadows as we fade.

A# Gm  
Where will I find protection?  
A# C Dm  
From the lonely days when I cry alone,  
A# Gm  
Who s gonna give me salvation?  
A# C Dm  
When above all I wanna be loved.

Dm F G  
Before I sleep you turn your back on me,  
A# C Dm  
I fall to my knees in rage,  
Dm F G  
You raise your hand against my cheek,  
A# C Dm  
World moves in spite of my pain.

A# Gm  
Where will I find protection?  
A# C Dm  
From the lonely days when I cry alone,  
A# Gm  
Who s gonna give me salvation?  
A# C Dm  
When above all I wanna be loved.

A# Gm  
I don t want to die alone,  
A# C Dm  
Wanna say that I love back to someone,  
A# Gm  
I just want to be loved,  
A# C Dm Dm

Will you take me to the last dance, my heroin?

There s another way to breath,

**A#**

If there s another way to take,

**Gm**

There s another way to need,

**A#**

If there s another way to change,

**Gm**

Then I wanna stay the same,

**D5**

How long? How long?

**A#**

**Gm**

I don t want to die alone,

**A#**

**Gm**

I just want to be loved,

**A#**
