

Lucks Run Out
Little Fish

Am D G
I lost my way
Am D G
I lost myself
Am D G C
I am hurt
Am D G
My luckâ€™s run out

Am D
Iâ€™m here and I canâ€™t explain
G C
Why I live in nerves
Am D
My records are old and my catâ€™s dead
G C
Iâ€™m bored of the radio
Am D
Iâ€™m waiting for promises
G C
Of something that never came
Am
And donâ€™t push me now
D G
I am the life of the party

Am D G
I lost my way
Am D G
I lost myself
Am D G C
I am hurt
Am D G
My luckâ€™s run out

Am D
An empty stare, an evil thought
G C
A fist hangs in the air
Am D
Locked in a room with my sick head
G C
Lying naked on the floor
Am D G
Is this the life that Iâ€™ve been living for?

Am D G
Am D G
Am D G C
Am D G

Am D G
I lost my way

Am D G
I lost myself

Am D G C
I am hurt

Am D G
My luckâ€™s run out
