Harper Lee
Little Green Cars

[Intro]
Em   D/F#

[Verse 1]
G   Em   D/F#
Like a crash, I wait for the impact,
G   Em   D/F#
Like a train, I wait for the smoke,
G   Em   D/F#
Like a storm, I wait for the silence,
G   Em   D/F#
Like a bluff, I wait til you fold.

[Chorus]
Am   Bm   G   C
Ohhhhhhhhh, There’s a gun in the attic, let me go grab it
Am   Bm   G   C
Ohhhhhhhhh, I’d blow holes in my soul, just so you can look past it
Am   Bm   G   C
Ohhhhhhhhh, Yeah there’s glass on the floor, there’s a hole in the roof
Am   Bm   G   C
Ohhhhhhhhh, Yeah the chandelier fell, now there rain’s pouring through

[Pre-Verse]
Em   D/F#

[Verse 2]
G   Em   D/F#
Like a dog, I wait for my owner
G   Em   D/F#
And Harper Lee, I’ll kill me a bird
G   Em   D/F#
And I sit back and I just watch it happen
G   Em   D/F#
And just like you, I won’t say a word

[Chorus]
Am   Bm   G   C
Ohhhhhhhhh, There’s a gun in the attic, let me go grab it
Am   Bm   G   C
Ohhhhhhhhh, I’d blow holes in my soul, just so you can look past it
Am   Bm   G   C
Ohhhhhhhhh, Yeah there’s glass on the floor, there’s a hole in the roof
Am   Bm   G   C
Ohhhhhhhhh, Yeah the chandelier fell, now there rain’s pouring through

[Solo]

```
G                              Em              D/F#

[Chorus]
Am      Bm        G                    C
Ohhhhhhhhh, I put mice in kitchen to see if youâ€™d kill them
Am      Bm        G                        C
Ohhhhhhhhh, Oh now you let them live, now thereâ€™s twelve thousand kids
Am      Bm         G                        C
Ohhhhhhhhh, Oh yeah you let them breed now Iâ€™ve got mouths to feed
Am      Bm         G                    C
Ohhhhhhhhh, Oh yeah you let them stay now theyâ€™ve taken my place
Am      Bm         G                    C
Ohhhhhhhhh, Yeah you left them alone now theyâ€™re eating our home.
