

**My Love Took Me Down To The River To Silence Me
Little Green Cars**

* = strum once

[Intro]

C* **Em***
Down to the river to silence me, love took me down to the river to silence me
C*
love took me down to the river to silence me, love took me down to the river to
silence me
Em*
love took me down to the river to silence me, love took me down to the river to
silence me

[Verse 1]

C* **Em***
My love took me down to the river to silence me,
C* **Em***
And when he left I could not speak.
C* **Em***
I lay on the ground I tried to scream,
C* **Em***
But no sound did come out, I could only bleed blue.
C* **Em***
I waited for him till the frost did come,
C* **Em***
My skin it turned blue and my body was numb.
C* **Em***
But my heart it burned out till it was no more,
C* **Em***
Still I wait on the ground I don t know what for.

[Chorus]

Am* **Em***
There, there is a heart in here.
Am* **Em***
Where, where is the heart in here?

Am **C**
This love s killing me but I want it to.
Am **C**
So long you re gone, just like I always knew.

G **Am**
But I m still here waiting for you.
G **Am** (hold it out)
But I m still here waiting for you.

[Verse 2]

C **Em**
My love took me down to the river to silence me.

C **Em**
And when he left I could not speak.

C **Em**
And what he said to me I can never say.

C **Em**
Because it s breaking my heart to this very day.

[Chorus]

There, there is a heart in here.

Am* **Em***
Where, where is the heart in here?

Am **C**
This love s killing me but I want it to.

But I m still here waiting for you.
