[Verse 1]

```
D          F#m          G
Wherever you go, no matter how far
          F#m    Em          D
Even if I cannot reach you no more
          F#m          G
I know that we re not perfect by far
          F#m          Em    D
But joined by the sound of a humble guitar

[Verse 2]

```
D          F#m          G
Some people say, we re joined at the hip
          F#m          Em          D
But we re joined by a playlist, where we pick the hits
          F#m          G
They got us through some of our worst times
          F#m          Em    D
Like broken hearts and dodgy lines
