## About The Boy Little Mix

(Intro - Acapella) Something about, something about the boy Something about, something about the boy Something about, something about the boy Εm Just something about the boy [Verse 1:] Em It s the verse in my head, the words that make stutter The swag in my step, the change from gray to color Am I guarantee babe, oh I found my lucky number And the feeling that you get can t help but make me wonder [Pre Chorus:] BmAm No need to try, he s just right (He s got that something I can t let nobody tell me no) C Am No I don t mind Takes me high I won t stop until the boy is mine [Chorus:]  $\mathbf{Em}$ He s got me good, I ve got it bad He s got me feeling like a girl gone mad Got me running around like I m a love fool Taking me down I can t stop He s got me up, I can t come down He s got me locked and I don t want out I know he s playing my heart and I ain t got no choice

There s just something about the boy

```
Em
Something about, something about the boy
Something about, something about the boy
Something about, Something about the boy
There s just something about the boy
[Verse 2:]
It s the first time we met, the lightening to my thunder
Em
The green light on red, the kiss that pulls me under
It s all in for me, if you re the test I got the answer
Em
And I m all that you need, now you finally get the chance to
[Pre Chorus]
            Am
                          Bm
No need to try, he s just right (He s got that something
I can t let nobody tell me no)
No I don t mind Takes me high
I won t stop until the boy is mine
[Chorus]
             Em
He s got me good, I ve got it bad
He s got me feeling like a girl gone mad
         Am
Got me running around like I m a love fool
Am
Taking me down I can t stop
             Em
He s got me up, I can t come down
He s got me locked and I don t want out
I know he s playing my heart and I ain t got no choice
There s just something about the boy
Something about, something about the boy
Something about, something about the boy
Am
Something about, Something about the boy
        Am
                       D
                              Em
```

```
There s just something about the boy
[Bridge:]
в7
                     Em
                                       Am
                                                          в7
 I know you like to play it slow, but I m running out of time
В7
                                     Αm
It s like I lost my self control, Cause you are the one
And you know what you ve done, My poor heart come undone
Baby please
[Chorus]
             Em
He s got me good, I ve got it bad
He s got me feeling like a girl gone mad
Got me running around like I m a love fool
Αm
Taking me down I can t stop
He s got me up, I can t come down
He s got me locked and I don t want out
I know he s playing my heart and I ain t got no choice
There s just something about the boy
[Outro:]
Something about, something about the boy
Something about, something about the boy
```

Something about, Something about the boy

There s just something about the boy
