

Lightning
Little Mix

Em **Am**
I crossed a desert and an ocean
C
To get away
B
From the pain of your storm
Em
I chased the sunlight
Am
Been running from your shadow
C **B**
So that I could heal and I didn't feel

Em
That zig-zag shooting through my heart
Am
That zig-zag hit me like a dart
C **B**
Electricity, electricity
Em
Oh, this love is tearing me apart
Am
I've been running like a light from the dark
C
Electricity
B
Keeps on hitting me

Em **Am**
Oh lightning strikes twice
C
And it burns like ice
B
I wish I didn't love you again
Em **Am**
Lightning strikes twice
C
And it burns so nice
B
I wish I didn't love you (pausa)
(But I do)
Em **Am**
(But I do)
C **B**

Em **Am**
Those eyes, one look and I'm enchanted

Your voice a serenade
