Hey baby

Tell me your name

I gotta fever for you

I just can't explain

But there's just one problem

I'm a bit old school

When it comes to lovin'

I ain't chasing you

Been waiting

I'm on a roll

You've got to let yourself go

[Perrie]

**G#**

[Jesy]

**G#** (throughout chorus)

Hey

Get your back off the wall

Don't you get comfortable

Looking so hot

I think that I might fall

Feeling like it's my birthday

Like Christmas day came early

Just what I want

So when we move

You move

[All]

**G#** (throughout)
