C **Em**
Taste **D**

Of the good life, can you keep pace? Can you

Ride shotgun in the fast lane with your eyes wide shut?

Tell me, do you have faith in me?

C **Em**
Stay **D**

The whole night til you feel the sun rays, can you

Forget everything your man sayin

And let all of our pain be the champagne?
C
Let me take the wheel from here
Em
And penthouse suite, chill from here

D

Show you the realest years, stare at the skies with you
Only got eyes for you
Even when the light s off, I m visualizing you

C **Em**

I see your wonderwall, I get close to you

I watch you let it fall and get it emotional

D

Erase the past, we are free at last

I m beggin please don t play
