

The End
Little Mix

I can't keep breaking up with you
You messed with my heart baby
Now it's black and blue
But love isn't fair
So I swear
That this time
This is the end

[Verse]

And I can't keep lying
Lying to myself
Oh I'm thinking you'll love me right
But you never will
It's too much to bear (too much to bear)
So I swear (this time I swear)
That this time
This is the end (I mean it baby)

[Chorus]
