

## Wings

### Little Mix

[Verse]

**Em, A**

Mamma told me not to waste my life  
She said spread your wings my little butterfly  
Don't let what they say keep you up at night  
And if they give you shhhh..  
Then they can walk on by  
My feet, feet can't touch the ground  
And I can't hear a sound  
But you just keep on running up your mouth yeah  
Walk, walk on over there  
Cos I'm too fly to care, oh yeah

[Pre-Chorus]

**Em, D, G, A**

Your words don't mean a thing  
I'm not listening  
Keep walking, all I know is

[Chorus]

**Em, G, D, A** -> change **Em** to **E** major on fly

Mamma told me not to waste my life  
She said spread your wings my little butterfly  
Don't let what they say keep you up at night  
And they can't detain you  
Coz wings are made to fly  
And we don't let nobody bring us down  
No matter what you say it won't hurt me  
Don't matter if I fall from the sky  
These wings are made to fly

[Verse 2]

**Em, A**

I'm firing up on that runway  
I know we're gonna get their someday  
But we don't need no ready steady go, no  
Talk, talk turns into air  
And I don't even care, oh yeah
