Song: Forever
Artist: Little Steven
Album: Men Without Women

Well, I don't think that this is the original key (actually, I believe it's Eb), but I use to play the song with those chords. Have fun!

E **F#m** **D** **F#m E**
I'll give you my heart, would you love me fore - ver

B **A** **E**
I learned when I was a young boy

B **A** **E**
You turn your cheek you get slapped

B **A** **E**
I take the punches I can't slip

B **A** **E**
And I give it right back

A **B** **E** **C#m**
Even if I win girl, you know it really won't mean too much

A **F#m** **G#m** **B**
What I want baby most of all is the only thing I can't touch

E **F#m** **D** **F#m E**
If I give you my heart would you love me fore - ver

E **F#m** **D** **F#m E**
Would you pick up the pieces if I stumble and fall

E **F#m** **D** **F#m E**
If my world falls apart could you keep it together - there

E **F#m** **D** **F#m E**
If I can't have you I don't want no one at all
