So here the updated version is:

C#m C#m Е Е Guess you ll be all right baby, sometimes you re such a bad girl в C#m Α You really should have called, you know how your mama worries C#m C#m Е E You think I don t know baby and I don t understand C#m в Α Well I was there once too, I know life can be so hard girl

C#m Α F#m Α She wants to run away, and she s gonna change her name F#m C#m \mathbf{E} And forget everything she was, but your blood stays the same, my love Α в C#m Someday she ll marry somebody that s just like daddy Е F#m C#m She s the princess of Little Italy, trying to find her way

If I ever will be able to get the thumb out out my ass I will put up a tab of the song here.

Enjoy!
