

10,000 Years

intro:

something like:

	A	F	G	
E	- -----			
B	- -----2h3-0h2-----1-----3-----			
G	- o-----2---2-----2-----4---o			
D	- o---2-----2-0-----3-0-----5-0--o			
A	- --0-----3-----5-----			
E	- -----1-----3-----			

and that repeats over most of the verses, an electric plays something similar, maybe just the first three notes per chord.

the bridge is: (listen to the album for a better idea of the rythm)

the guitar cuts out a bit after the first bridge leaving the bass.. then comes in slowly:

verse 1:

The world is burning down, cant you smell the smoke in the air?
 War, disease and famine, this demon she is everywhere.
 Poets and preachers and politicians, they ve all had their say.
 We got 10,000 years devoted to nothing but tomorrow and yesterday.
 10,000 years... woah..

	If all the ignorance in the world passed a second ago.

Mr President I hereby pardon you of all your crimes, for they are just as much mine

And I.. I, yes I am the world

And you are the world
