

Dance With You  
Live

[D5] [D5/C#] [Em] [G5]

Sittin' on the beach, the island king of love, deep in fijian seas, deep in some  
blissful dream  
Where the goddess finally sleeps, in the lap of her lover, subdued in all her  
rage,  
And I'm aglow with the taste of the demons driven out and happily replaced with  
the presence of real love  
The only one who saves

I wanna dance with you, I see a world where people live and die with grace, the  
karmic ocean dried up and leave no trace  
I wanna dance with you, I see a sky full of the stars that change our minds, and  
lead us back to a world we would not face

D5 D5/C# Em G5

The stillness in your eyes, convinces me that I, I don't know a thing  
And I been around the world and I've tasted all the wines, a half a billion  
times, came sickened to your shores,  
You show me what this life is for

I wanna dance...

Em D/F# G Em D/F# G  
In this altered state, full of so much pain and rage, you know we got to find a  
way to let it go

Sittin' on the beach, the island king of love, deep in fijian seas, deep in the  
heart of it all  
Where the goddess finally sleeps, after eons of war and lifetimes, she smilin'

and free, nothin' left  
But a cracking voice and a song, oh lord

I wanna dance...
