

Dolphins Cry
Live

[Verse]

C#m A
The way you re bathed in light, reminds me of that night,
C#m A E B
God laid me down into your rose garden of trust.
C#m A C#m A
And I was swept away, with nothin left to say,
C#m A E B
Some helpless fool yeah I was lost in a swoon of peace.
C#m A C#m A
You re all I need to find, so when the time is right,
C#m A E G
Come to me sweetly, come to me.
F#
Come to me

[Chorus]

C#m A F#
Love will lead us, alright. Love will lead us, she will lead us.
Can you hear the dolphin s cry? See the road rise up to meet us.
It s in the air we breathe tonight. Love will lead us, she will lead us.

[Verse]

C#m A C#m A
Oh yeah, we meet again, it s like we never left.
C#m A E B
Time in between was just a dream, did we leave this place?
C#m A C#m A
This crazy fog surrounds me, you wrap your legs around me
C#m A E B F#
All I can do to try and breathe, let me breathe, so that I, so we can go
together!

[Chorus]

C#m A F#
Love will lead us, alright. Love will lead us, she will lead us.
Can you hear the dolphin s cry? See the road rise up to meet us.
It s in the air we breathe tonight. Love will lead us, she will lead us.

Life is like a shooting star, it don t matter who you are, if you only run for
cover. It s just a waste of
time. We are lost til we are found, this phoenix rises up from the ground, and
all these wars are over.
