VERSE 1

A2 **Em** **F#** **A**
Looking for desert rain in the corners of my mind
A2 **Em** **F#** **A**
Feelin so far away from the source of love divine
A2 **Em**
Two travelers on the road
 F# **A**
Just a book of secrets and trouble on every side
A2 **Em**
Keep holdin my hand tonight
 F# **A** **F#**
As we face this furnace something tells me
 A **F#**
That we can run from these flames
 A
Or we can stand together in faith

CHORUS

A2 **Em**
Forever and ever
 F# **Dsus2**
The darker the night the brighter the dawn
A2 **Em**
Forever and ever
 F# **Dsus2**

End on A2.
