I ll kill you in my dreams

I turn the other cheek during the day

I ll kill you all

The subculture of my dreams

Is waiting for me to fall asleep

I know you re scared, you should be

I know you re scared

[Dm] [A] [F] [E] (2x)

[Am] [F] (4x)

Am **F**

This attic of my mind

These feelings I can t hide

I can t share I feel alone, ah yeah

The subconscious keeps me here

I feel in love with a balladeer

I saw your tongue, it licked my heart

They called you queer

[Dm] [A] [F] [E] (4x)

[Am] [F] (6x)

They called you queer, they called you queer

They called you queer, they called you queer

They called you queer, they called you queer

They called you queer, they called you queer
