I m not sure about the verse

after the last chorus, it goes...

Dm	Bm	Dm	D#m	Dm	Bm	Dm	D#m
-----5-----1-----5-----6-----5-----1-----5-----6-----							
-----6-----2-----6-----7-----6-----2-----6-----7-----							
-----7-----3-----7-----8-----7-----3-----7-----8-----							
-----7-----3-----7-----8-----7-----3-----7-----8-----							
-----5-----1-----5-----5-----5-----1-----5-----6-----							

I read in a magazine that this album was bad. It said the lyrics were poor, and the guitar was too predictable. Well, I think that s CRAP.

Anyway I m not totally sure if this is accurate, but it s such a good song, somebody had to try it.
