--->Mental Jewelry1991From the mouth of a baby
Will come the world saving words
That will save us all
And from the lungs of a child
Will come the everlasting breath of God

Increasing peace and honesty
And not carrying on despite of me
Don t you know, this ain t about no race, no creed
No race, no creed

And it s as simple as that you see

And if I don t know who to love I love them all
And if I don t know who to trust I trust them all
And if I don t know who to kill no suicide
I m already dead

Tired Of Me
