

**Pillar Of Davidson  
Live**

Transcribed by Jon Ritts (\*)

Patrick likes to improvise a lot, so there are a few fills that he uses to slightly change some riffs in the song that I didn't include. What can I say, I'm lazy :-P

Anyway, if you have any suggestions/questions feel free to write to me. Also, this is the first tab that I've submitted, so don't be too rough on me if I screwed something up. Thanks & enjoy!
