**Am**                    **C**                    **G**                    **Am** (Am7)  
Built a king on complements, charisma and advertisements  
Still they see him a shaman, ephemeral it ain t, supernatural  
**G**                    **Am**  
No it ain t, supernatural  
**Am**  
Supernatural, it may be

**Am**                    **C**                    **G**                    **Am** (Am7)  
It was an out of body experience, yes I flew around a hospital room once  
on intravenous Demerol and it was, supernatural  
**G**                    **Am**  
No it weren t, supernatural  
**Am**  
Supernatural, it may be

[Am] [C] [G] [Am]

**Am**                    **C**                    **G**                    **Am** (Am7)  
A certain smell, a certain view, sparks a whopping case of the deja vu  
Is it inexplicable?, no no no it ain t, supernatural  
**G**                    **Am**  
No it ain t, supernatural  
**Am**  
Supernatural, maybe

[Am]([Am7]) [C] [G] [Am]([Am7]) (2x)
