

**The Dolphyns Cry**

**Live**

the way you re bathed in light

**Cm G#**

reminds me of that night

**Cm G# D# A#**

god laid me down into your rose garden of trust

**Cm G#**

and I was swept away

**Cm G#**

with nothin left to say

**Cm G# D# A#**

some helpless fool yeah I was lost in a swoon of peace

**Cm G#**

you re all I need to find

**Cm G#**

**Cm G# D# A#**

come to me sweetly, come to me

love will lead us, alright

**F Bb**

love will lead us, she will lead us

**Cm G#**

can you hear the dolphin s cry?

it s in the air we breathe tonight

love will lead us, she will lead us

Same as Section One:

oh yeah, we meet again

it s like we never left

time in between was just a dream

did we leave this place?

this crazy fog surrounds me

you wrap your legs around me

all I can do to try and breathe

let me breathe so that I

so we can go together!

**Cm G#**

love will lead us, alright

**F Bb**

love will lead us, she will lead us

and all these wars are over, over, over
