

Gm **Gm** **F** **C**
 In spite of the hate
Gm **Gm** **F** **Am7**
 Who put the flower in the barrel of that gun?
 Who lit the candle that started the fire,
 Burnt down the fortress, the throne?
 Who could house all the refugees in a single shack
 Or a lowly bungalow?
 Who lives in a different dimension, free from the
 struggles we know?
 We spend all of our lives goin out of our minds
 Looking back to our birth, forward to our demise
 Even scientists say, everything is just light
 Not created, destroyed but eternally bright
 Masters in everytime lord in everyplace
 Those who stood up for love down in spite of the hate
 We spend all of our lives goin out of our minds
 They live in the light
D **Em**
