

E7

Bow, bow put your face to the floor and

**F#**

Through the crack see the people kickin it inside

And leavin it all behind

**G#m**

In the name of love, we raise the roof

In the name of love, do what we came to do

**E7**

**F#**

In a town tonight where the streets have no name

**Eb**

And everybody feels the same the outside world is a goddamn shame

**E**

**C#**

Transmit your love to me and silently make me whole again

**E**

**C#**

Transmit your love to me
