

**Turn My Head**  
**Live**

Intro: **C G4(6) Em Dm7**

Anyone, caught in your mystery  
keep it angry  
keep it whispy  
I ve fallen down  
drunk on your juices

**C** **G4(6)**  
I turn my head  
**Am**  
turn my head  
**G** **F7M/C**  
it s aimed at you

Funky temple your dress is torn to shreds  
your eyes are crazy  
I bowed to save my head and  
I can t forget you  
but I can remember

**C** **G4(6)**  
I turn my head  
**Am**  
turn my head  
**G** **F7M/C**  
it s aimed at you

Oh no, we came to love you all day  
these bastards are leavin  
somebody s got to stay  
whatever we called you  
it s just a name  
just a name
