**Am F**

I was wrong  
We are not these bodies alone  
In a dream with a mind of its own  
I, I know you long  
To be tethered and tied to the heart of the one

**C D**  
The one that be layin you down, on that ancient ground  
**Am F**  
Nothin more to be found, ah yeah

**C G Am G Dsus4 D**  
Now we walk in the dream, but dream no more  
**C G**  
To live a life in love the only thing in common was  
**C G F**  
We knew there was somethin more  
**C G Am G Dsus4 D**  
Now we walk in the dream, but dream no more  
**C G C**  
To live a life in love to hear the voice in the wilderness  
**G F Am**  
The other side of the door, somethin more

**Am F**

I feel strong  
I m finally at peace, the war is all gone  
By no cause of my own

**C D**  
Like an eagle cuts through the air, no time for fear  
**Am F**  
Faith in his wings takes him there

Now we walk in the dream...

**Am**
