Bb Eb F Eb
I ain t no glamour boy
Bb Eb F Eb
I ain t no glamour boy - I m fierce!
Bb Eb F Eb
I ain t no glamour boy
The glamour boys live off their ambition
The glamour boys have it all figured out
A very, very dubious position
When you got no clout
The glamour boys whole life is a gamble
They might get over or fall flat on their face
But if one does, there s no need to worry
Another G-boy will take his place
Chorus.
The glamour boys don t think about tomorrow
The glamour boys just need tonight to play
But just like things you can t afford on credit
Time catches up and you have to pay
The glamour boys are always on the guest list
You ll always find them in the hottest spots in town
They ll be your friend if you have fame or fortune
If you don t they won t be hanging round
Chorus.
