Lyrics :

(intro)

(Riff 1)

When it hurts to be out there  
 Where noone cares  
 I ve got the solace of you

Frustrated by the peoples lying  
 But I keep on trying  
 I ve got the solace of you

When I can t think straight  
 And there s no escape  
 I ve got the solace of you

(Riff 2)

Gotta go inside  
 Back where it started (2x)  
 Back to the beginning  
 Cause that s where my heart is

(Riff 1)

They can hurt me, jail my body  
 I d still be free  
 I ve got the solace of you

They can take my land  
 Tell me I m not who I am  
 I ve got the solace of you

A wiseman said to know thyself  
 Cause in the end there is noone else  
 Just the solace of you

(Riff 2)

Gotta go inside  
 Back where it started (2x)  
 Back to the beginning  
 Cause that s where my heart is

Gotta go inside (2x)  
Back to the beginning

(1x first line Riff 1 + Riff 3)
