Time s up/the rivers have no life
 Time s up/the world is full of strife
 Time s up/the sky is falling
 Time s up/the Lord is calling
 How you gonna stop the clock
 When the well runs dry
 All the rivers have died
 Moment by moment, day by day
 The world is just slipping away
 Your future won t save your past
 The time is now, it won t last
 The time is nigh
 Time to do-or-die

Time waits for no one
 If you want to go on
 Leave me something to grow on
 The forests, the trees, the rivers, the seas
 All die of this disease
 Time ain t on your side
 Don t sit idly by
 You ve just got to try
