Am **F**
But if this misery is anything

C **G**

F **C** **G**
Then itâ€™s temporary, temporary , temporary

F **C** **G**
Then itâ€™s temporary, temporary , temporary

C **F**

Am **F**
Didnâ€™t you say forever

C **G**
Wonâ€™t you tell me you remember , you said

Am **F** **C** **G**
Weâ€™d only keep on getting better and better and better

Am **F**
But if this misery is anything

C **G**
Like the love youâ€™re giving me

F **C** **G**
Then its temporary, temporary, temporary

Am **F** **C**
