[Intro]
       Вb
[Verse 1]
 I think it s pretty obvious
That I need a drink right now
 I m trying my best to not look over there
Вb
But it s getting real hard
You don t have to tell me
                Вb
I know that I m petty
[Verse 2]
                             Bb
I see her laughing, but she probably didn t get the joke
Are you gonna make her split the check
Like on our first date two years ago?
You don t have to tell me
                Вb
 I know that I m petty
[Chorus]
               Bb
 I think I hate you
                        Вb
 And your pretty face, too
 I think I hate you
 Cause you re over there, so over me
     Bb
 You make it look easy
          F
 I think I hate you
```

[Verse 3]
                            Bb

You don t have to tell me, nah
I know that I m petty
[Chorus]
         F
                Вb
I think I hate you
                         Вb
And your pretty face, too
          Dm

[Verse 4]
                                       Bb

Seems just like yesterday you were so out of shape, and never wanted to touch
                  Bb
You don t have to tell me (no no)
                Bb
You took her to Paris
[Chorus]
                   Вb
